**Things I would like to accomplish today.**

In the Next 5 Years:

In the Next 10 Years:

In the Next 20 Years:

Before the end of my life:

If I had 1 year to live, what would I do?

What problems in my family, community, nation, and world most concern me? What can I do to help?

What books will I read to help me renew and grow spiritually, socially, intellectually, and physically?

What would I like said about me at my funeral?

Write down 3 people you most admire and respect and the 4 attributes you would use to describe them.

What attributes do I desire to possess and exhibit?

How would I like others to describe me?

Describe your ideal life? **(Be specific)** (What would you do and have?)

Are you on track for the things you mentioned above?

If you don't accomplish the above mentioned things how will you feel?

Do you have someone helping you, mentoring you, and guiding you?

Are you accessing that person or persons as often as you can?
